ORAL ORDER
(Passed on 31st March, 2006)

The money claim brought before the Court by way of this writ petition arises out of a concluded contract, and rights and obligations of the parties on the completion of the contract. The contract in question is an ordinary contract entered into between two parties by executive power of the Railways. In that view of the matter, I am not inclined to entertain this writ petition. The petitioner can very well workout his legal remedies before the Jurisdictional Civil Court. This writ petition is, therefore, dismissed reserving liberty to the petitioner to workout legal remedies before the jurisdictional Civil Court. No costs.
